

PLEASE FAXBACK TO 01606 871872

Cases are seen for MRI scanning in 1 of 3 categories - Please Tick

1. Referral for MRI Scanning only - copies of scan will be sent back to referring vet for interpretation
2. Referral for consultation and MRI scanning - a report on interpretation of the scan will be sent to the referring vet. With some cases we may need to send the scans for further evaluation before issuing a full report.
3. Referral for consultation, MRI and case management
